

Nicolas Goetschel

Junior Software Developer

As a junior software developer, I am passionate about expanding my knowledge and skills. I enjoy learning new techniques and technologies to excel in this dynamic field. With a background in social work, driven by my love for human interactions, I bring a unique perspective to the world of tech. I am dedicated to utilising my expertise to make a meaningful impact on society.

HTML, CSS, Python, JavaScript, Java

Frameworks

React/React Native, Express, Spring

Methodologies

Agile

Databases

PostgreSQL, MongoDB

Tools

Git/Github, Visual Studio Code, IntelliJ, Insomnia, Cypress

EDUCATION

Professional Software Development CodeClan Digital Skills Academy

01/2023 - 05/2023

Scotland

Courses

- ◇ Object-Orientated Programming
- ◇ Databases
- ◇ Intro to Web Development- UI/UX
- ◇ Test Driven Development
- ◇ RESTful Routing
- ◇ Full Stack Development
- ◇ Version Control
- ◇ Paired and Mob Programming

PERSONAL PROJECTS

Constructed a Personal Portfolio Website (05/2023 - Present)

- ◇ Github - Nicolas Goetschel Personal Portfolio - This was created using HTML and CSS.

Uber Clone Capstone App (04/2023 - 05/2023)

- ◇ Paired project built with JavaScript, React Native, Redux, React Navigation, React Maps & Tailwind CSS.
- ◇ Efficiently pair-programmed over the whole project, running daily meetings to merge changes to Github.
- ◇ Implemented a feature that could improve user experience within the app.

Mind Blank Quiz App (03/2023 - 04/2023)

- ◇ Group project built with MongoDB, ExpressJS, ReactJS, and NodeJS.
- ◇ Efficiently pair- and mob-programmed over the whole project, running daily meetings to merge changes to Github.

Groundhopper App (02/2023 - 02/2023)

- ◇ Solo project built with Python, HTML, CSS, Flask & PostgreSQL
- ◇ Learned to implement a static web application with a fully functioning back-end server database. Consolidating 4 weeks of learning into a one week project

WORK EXPERIENCE

Customer Service Representative

Remote / Dexcom

06/2021 - 12/2022

Scotland

Dexcom is a company specialised in the development of continuous glucose monitoring systems for people with diabetes.

Achievements/Tasks

- ◊ I was responsible for providing customer support across various regions including the UK, Ireland, Switzerland, Germany, and Austria.
- ◊ I oversaw quality monitoring for other employees to ensure consistent and high-quality service.
- ◊ I was responsible for finding consensus in particularly difficult situations with patients.

Contact: Sabrina Parker - sabrina.parker@dexcom.com

Head Baker

Breadshare Community Bakery

01/2020 - 06/2021

Scotland

Breadshare was a bakery with the aim to promote the health benefits of real bread and make it accessible to everyone in the community.

Achievements/Tasks

- ◊ As a head baker, I had the opportunity to oversee various aspects of the bakery's operations.
- ◊ I was managing the general production of breads.
- ◊ I was responsible for the general maintenance.
- ◊ I had to place and take orders for the bakery.

Contact: Geoff Crowe - info@breadshare.co.uk

Social Worker

Verein Robi-Spiel-Aktionen

01/2016 - 09/2019

Switzerland

Robi-Spiel-Aktionen is an association that aims to promote children and teenagers through playful learning. They organise workshops and events to develop creativity and technical skills while emphasising teamwork, problem-solving, and innovation.

Achievements/Tasks

- ◊ During my studies, I had the opportunity to work at Robi-Spiel-Aktionen, where I successfully managed several projects, including the establishment of a children's bakery at a Christmas market.

Contact: Christine Rebmann - horburg@robi-spiel-aktionen.ch
